

Sofia,
March 2009

To whom it may concern:

Herewith, Integrated Enterprise Networks LTD located in Sofia Bulgaria, official Partner of Aastra Telecom Sweden AB, confirms that Telecom Business Solutions LTD member of Consortium Telecom Business Solutions is a company authorised to sell, install and maintain telecommunication systems of the Aastra (former ERICSSON Enterprise) portfolio of products in the Bulgarian market.

We do endorse the commission of similar projects to Telecom Business Solutions LTD, due to its own Professional and official Technical training, who also formally enjoys the privilege of our full co-operation and Technical Support.

Sincerely

Dimitris Synapidis
Company Manager
Integrated Enterprise Networks LTD
